Music News

Students have been learning new songs and musical activities in class this year as we've settled into our new space. We practice keeping a beat with body percussion, beanbags, and bona fide musical instruments. The new bass boom tubes have been a hit (literally), we've begun to add Spanish songs to our repertoire, and our school band is busy developing ensemble skills and preparing for our concert.

Speaking of which...

Our *Thanks-For Giving* concert at Peacham Congregational Church is just a month away, on Monday, November 20 at 6 pm. If you haven't yet marked your calendars, now is the time. I hope to see you all there!

Dear Peacham School Families,

It was nice to have everyone back after a long weekend. Thank you everyone for the terrific turnout for our conferences last week; please let us know if there is anything you would like to follow up on or if you have any feedback about the conference process or organization.

We will be having our celebration of learning soon (Thursday, November 9th at 6PM). Please make sure you have marked your calendars for this event as our students will have a lot to share and celebrate with you!

ELO and Substitute Teaching Openings

As many of you know, we have an opening for our ELO coordinator here at school. This is a very important and valuable position for our school and students. If you are interested in this position or know of someone who would be a good fit, please contact me or Donna Gaston.

Additionally, we are always looking for more qualified substitute teachers to be added to our list, please let me know if you are interested!

I hope you all enjoy the upcoming weekend and beautiful fall weather that is promised.

My Best,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
