Health News

Students grades PreK-4th just finished their five senses unit where we did some fun experiments using our seeing, hearing, tasting, feeling, and smelling senses to be detectives. Students learned why each sense is important and how they assist us in everyday life. Students in grades 5-6 are learning about the health triangle which consists of mental emotional health, physical health, and social health and how important it is to keep a balance in our lives.

What a wonderful week of school we had here at PES! Students finished their last week of our first round of LEAP and will begin new groups the week of November 13th. Please ask your child about what they are learning during their LEAP time so that they can share their progress with you. This week students also enjoyed a game of whole school capture the flag- this was their vote for our PBIS Whole School Celebration!

I want to thank everyone for their support of student learning on Halloween. Students came into school on Tuesday and had a great day of learning before their festivities that evening. I also really enjoyed the festivities at the PTF's Halloween Party last weekend. This was a well organized event focused around literacy and celebrating our students' creativity AND it was a lot of fun! It is always so wonderful to see the amazing support our PTF and Peacham Families give to our school. THANK YOU!

Information on Upcoming Forums and Voting

Here is some important information about the upcoming school district vote:

- There will be a public forum at 7PM on 11/13 following our board meeting at the school
- There will be an additional public information meeting regarding the vote on Saturday 11/18 at 9AM at the public library in Peacham
- On Monday 11-27 the Australian Ballot voting will take place at the Town Clerk's Office from 7AM until 7PM.

Have a wonderful weekend,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
