- 3/24/18 Mud & Muck Auction

Principal's Rounds

Dear Peacham School Families,

Peacham students had a great four day week of school which included their first (K-6) ski or board day at Burke Mountain. We have begun a new round of LEAP and students and teachers are re-energized to work on new skills. On Monday teachers worked on literacy instruction at our CCSU in-service day. This was a productive day for all and I am always impressed with the focus and energy that our teachers bring to these training days.

On Wednesday our school hosted the CCSU administrators for Principal Rounds. This was a great day and our teachers and students were able to shine in their best light. Administrators were impressed with the level of rigor in our building and the ability of our students to ask great questions that furthered their learning. We enjoyed sharing our best practices with our visitors that day!

We are looking forward to a nice full week of school next week. I wish you all a great weekend with your families.

My Best,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
