Dear Peacham School Families,

Student and staff enjoyed a great week of school. We had a productive morning of learning on our early release day Wednesday and appreciate all of your flexibility in a partial day of school before the storm. The snow that we got from that storm helped us to have a great day of skiing and boarding at Burke Mountain yesterday.

PE News

Our K-6 students and staff were very fortunate on Thursday to have an amazing day of skiing!

Summer ELO

IMPORTANT: ELO is seeking information for the summer program. There is also a hard copy of this survey attached if you would prefer to fill out and return a paper form.

Thank You!

I wanted to take a moment to thank all of our wonderful Peacham School families. Each of you are an important part of our school and help our students to be successful. We appreciate your partnership in your child's education and notice that you support your children at home by practicing reading, math facts, social skills, etc. Supporting your children with their education makes learning a more fluid process for them and helps promote lifelong learners. Thank you for your continued support of our school and students and please let us know if there is anything we can do to enhance this partnership.

I hope you all enjoy a wonderful weekend with your families!

My Best,
Ashley
