Upcoming Events

- 6/1/18 Stewardship Day
- 6/12/18 6th Grade Graduation 6PM
- 6/14/18 Last Day School (half-day)

PE News

Please be sure that students are dressed for outside PE for the remainder of the year. Layers, sneakers, sunglasses, and having a water bottle are encouraged! We look forward to enjoying our great outdoor opportunities for the rest of the year!

Parent Voice Survey

As of today 18 Peacham School Families have completed the Parent Voice Survey that was shared before break. We have 41 families and I would love to have a broader voice captured from our parents. I have extended the survey to end on May 3rd so that more of you have a chance to participate. Here is how you access the survey:

Survey Dates: 04/12/2018 to 05/03/2018

Survey Site: <http://surveys.quagliainstitute.org/survey>

Access Code: 409074

Our staff and students (grades 3-6) are also completing surveys about their experiences. I value the feedback of all stakeholders as it helps our school continue to improve and grow. Thank you for your feedback, please let me know if you have any questions.

Dear Peacham School Families,

Welcome back to school! We had a wonderful week of school and it was so nice to see students again. I was very impressed with the hard work happening in our building post vacation this week.

Believe it or not, we are starting to see some warmer weather and spring is with us most of the time now. As the temperatures get warmer please help your child follow the dress code here at school (the most common violations are spaghetti straps and flip flops). That being said, although it is getting warmer, the mornings (and sometimes afternoons too) can be cool and having a sweatshirt or light jacket is encouraged.

Summer ELO

As I mentioned before break, we have not been granted the funding for our afterschool and summer ELO programs. As part of a transition plan, Barnet has kindly offered a modified summer program for our students to attend. Please find the brochure for this program attached to this week's notes and send your sign-ups back to school with your child ASAP. The program will be free and accepting donations, run for four weeks Mon-Thurs, and operate from 8am until 1pm. We recognize that there are some inconveniences in the timing of this program and I welcome anyone with ideas of how to best accommodate the needs of our students and families to get in touch with me. On that note, we are also currently working on ways to offer some type of programming after school next year and are gathering ideas; please share those too!

My Best,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
