Friday Notes

Dear Peacham School Families,

Friday, May 4, 2018

Upcoming Events

- 5/5/18 Green Up Day Picnic 11-1PM
- 5/21/18 Spring Concert 6PM
- 6/1/18 Stewardship Day
- 6/12/18 6th Grade Graduation 6PM
- 6/14/18 Last Day School (half-day)

Health News

All Health classes have started learning about physical activity and exercising. Students are learning the importance of getting a variety of physical activity everyday along with the health benefits it has on your body.

Challenge students to get at least 60 mins of physical activity a day! ~Ms. Fox

Parent Voice Surveys

We had 20 families complete the parent voice surveys- thank you! This represents about 50% of our families. The survey closed yesterday but please let me know if you would like a chance to complete it and I will work to get you a paper copy of the survey. Next week I will share the results of the survey from parents, teachers, and students. Thank you!

Vermont Statehouse Visit

3rd/4th graders visited our Statehouse last Friday!

We enjoyed a fairly sunny week of school after Monday's surprise snow! Students in grades 3-6 have been working hard on their SBAC tests while also completing their classroom work. Everyone is working hard!

Green Up Day

The PTF is bringing back the Green Up Day Picnic this Saturday, May 5th. They will be serving doughnuts and coffee at 9AM at the school and will have the picnic from 11AM-1PM after "greening up!" Students learned about Green Up Day this week and also worked to green up our playground. You will see green trash bags with your child's Friday Folder today.

Summer ELO

We are hoping to have a final count for the Summer Program being offered at the Barnet School by the end of next week. Please let me know if you have any questions or need another copy of the registration form. The program will be free and accepting donations, run for four weeks Mon-Thurs, and operate from 8am until 1pm. Once again, I welcome anyone with ideas of how to best accommodate the needs of our students and families to get in touch with me. On that note, we are also currently working on ways to offer some type of programming after school next year and are gathering ideas; please share those too!

Enjoy the weekend with your families!

My Best,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
