| <u>10/30/19</u> | Evergreen Sports Center |

After School Program

The Peacham Afterchool Learning (PAL) program is up and running. Please contact Heather Smires if you are interested in more information or pick up an enrollment packet at the school. The program runs Monday-Friday from 3PM-5:30PM and is offered to students PK-6. palearning19@gmail.com

Mentor Program

We are excited to be creating a mentor program for Peacham School. Please see the attached letter for more information and get in touch with us if you are interested!

ALICE Informational Session

I wanted to remind everyone again that we will be having a training/informational session for Peacham families about the ALICE school safety protocol on Monday Oct. 7th. This is also a school board meeting night and the board will begin at 5PM so that folks are available for the training that will start at 6PM. I am hoping to collect RSVPs for this event, please let me know if you plan to come or have any questions.

We enjoyed a great four day week with students. Tomorrow, all CCSU staff will be participating in an in-service training about equity and trauma informed practices. Please make note that next week on Tuesday (10/1) we will have our school **picture day**.

Fancy Friday

Our amazing Peacham students filled our whole school PRIDE chart again! This time our celebration will be a "Fancy Friday." Given that we do not have school this Friday, we will celebrate next week on Friday, October 4th. Students are encouraged to have fun dressing up in their "fancy" clothes for the day.

Fall Foliage Luncheon

Our PTF's annual Fall Foliage Luncheon will take place at our school this coming Thursday, October 3rd. Students are active participants in the success of this event. If you plan to attend the lunch and want to eat with your child, please coordinate the timing with their classroom teacher.

Thank you to everyone who made it to our Family Information Night last week. If you were unable to make it and have any questions or just want to learn more about our school, please do not hesitate to get in touch. I am always looking for better ways to reach ALL families.

Enjoy your weekend,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
