Dear Peacham School Families,

We enjoyed a great week of school with beautiful weather for being outside when we could. Some of our volunteer fire department came to our Community Meeting on Wednesday and showed the students their trucks and answered questions as part of Fire Safety month.

#### Conferences

Next week we have a student-led conferences on Wednesday from 3-8PM and Thursday from 12-8PM (Thursday is a half day for students and there is no school on Friday). Conferences are an important opportunity to learn from your child and their teachers about their progress at school. I will be at school during the conferences and always enjoy the opportunity to connect with families about how the year is going. I hope that you leave your conferences with a good understanding of your child's progress and goals for the trimester. Please do not hesitate to follow up if you have any questions.

#### Exemplar Award

Mrs. Brisco and I attended the Annual PBIS Leadership Forum on Thursday to receive Peacham School's Exemplar Award. This is the second year in a row that our school has been recognized along with only a handful of other schools as being Exemplar. This award is a testament to the commitment and fidelity that teachers, students, and families have to our PBIS system. We recognize that the hard work in sustaining the system is worth it for our students. Way to go PES!

Enjoy your weekend,  
Ashley
