10/27/19 PTF Halloween Party 4PM
10/30/19 Evergreen Sports Center

Pancake Breakfast

Students earned another whole school celebration by filling our Peacham PRIDE pyramid. At Community Meeting on Wednesday our celebration choice was drawn- Whole School Pancake Breakfast! Next week, instead of Community Meeting on Wednesday, we will have our pancake breakfast starting at 8AM in the cafeteria. Your child may want to have less breakfast at home that morning to save room! Let me know if we there are any dietary restrictions for your child that we should keep in mind. Please feel free to join us to eat and celebrate!

Dear Peacham School Families,

We had a short but productive week of school. I have been enjoying joining Morning Meetings to do Spanish with classrooms. Please encourage your children to teach you some Spanish at home.

Test Messaging Call & Email

We are using a new system to make mass calls or send mass emails for important information to be shared. On Wednesday evening I made a test call and email using this system. Please be in touch with Shirley or I if you DID NOT receive this call & email OR if you received it at a phone number or email that you would rather not have contacted. This system will be used to share important information including school closings, delays and unexpected early releases. Please let me know if you have any questions.

Bus Drop-off Rule

We have been asked to share our rule for students being dropped off at home by the bus. Students that are in 3rd grade or older can be dropped off at home without an adult waiting outside. Students that are in 2nd grade or younger must have an adult waiting for them outside. Please let me know if you have any questions or concerns.

I hope you all left your conferences this week feeling informed about your child's progress and goals. Please do not hesitate to get in touch if you have questions, concerns or would like more information about how your child is doing at school.

Enjoy your long weekend,
Ashley

Mission Statement: *The Peacham Elementary School is a community of learners and teachers dedicated to developing the ability of each individual to think and communicate clearly, to explore the world, to make responsible decisions, and to have concern for the common good.*
