#### **Upcoming Evergreen Trip!**

Next week students (K-6) will make their first trip to the Evergreen Sports Center on Wednesday 10/30/19. Students have signed up for an activity in the morning and an activity in the afternoon; they selected between Rock climbing, gymnastics, and swimming. Students should bring their lunch or order a bag lunch from Alice. Please help your child come to school in comfortable clothes for their activities including swimsuits, towels, and a plastic bag for wet clothes if they are swimming. The bus will leave school at 8:40 and return by 2:45. If you are interested in chaperoning the trip and haven't let us know yet, please be in touch. This year the second Evergreen trip will take place in the spring. Thank you PTF!

#### **SBAC Reports**

The VT Agency of Education recently released the embargo on SBAC scores from last spring. If your child was in grades 3-6 last school year, you will find their SBAC score reports in their Friday folder. Students took an English Language Arts test and a math test. 5th graders also took an additional science test. Please let me know if you have any questions about your child's report.

Dear Peacham School Families,

We enjoyed a full week of school as the season started to shift. There is a wonderful buzz of learning in our building these days; please feel free to swing by anytime you'd like to see us in action!

#### **Half Day Childcare on November 5th**

Students have a half day of school on November 5th. Peacham Afterschool Learning (PAL) will be offering care from 11:45-5:30 for \$10. If you would like to enroll your child for that day please let the school or Heather know. You will need to complete an enrollment packet if you haven't already (packets are available at school). Students must be signed up by Friday, November 1st. [palearning19@gmail.com](mailto:palearning19@gmail.com)

#### **Pancake Breakfast**

We had a fabulous pancake breakfast on Wednesday to celebrate Peacham PRIDE.

**Family Connections:** Please enjoy the attached "Connection" articles for families to use to make connections with our students between home and school.

Enjoy your weekend,  
Ashley
